GLOBAL CENTER ON ADAPTATION

CERTIFICATE OF COMPLETION

This certifies that

Victor Kibet

has successfully completed the

Climate-Resilient Infrastructure Officer (CRIO) Online Course

Date: 20 JUL 2022

Grade: Passed

The CRIO Online Course is part of the **Knowledge Module on Public-Private Partnerships (PPPs) for Climate-Resilient Infrastructure** developed by the Global Center on Adaptation and its partners. The objective of this initiative is to build upstream capacity of practitioners to integrate climate resilience into infrastructure PPPs.

The Global Center on Adaptation congratulates you on this achievement.

Prof. Dr. Patrick Verkooijen
Chief Executive Officer
The Global Center on Adaptation
